conc: Chairman SŠČMS - ECNAIS Seminar 2017 Prague

Dear Mr. Kolder,

We have shared first impressions about the ECNAIS Seminar in Prague in the ECNAIS Management Committee Meeting Saturday 25 November 2017 and the outcome was very positive.

There is an unanimous feeling that we can look back on a successful seminar about Inclusion in education.

During the official opening session, with 113 participants from 14 countries, I have expressed our gratitude to SŠČMS for co-organizing and hosting the seminar.

I want to underline that the seminar should not have been successful without the strong dedication and active support of Mrs. Pavla Katzová and the colleagues at the SŠČMS office.

In good cooperation with the Executive Committee of ECNAIS, they took a big part in the preparation of the whole seminar and in the organization of the complex logistical operation of the transport to the schools.

Inspired by Mr. Michal Musil, who represents SŠČMS in the Management Committee of ECNAIS, there is a strong ambition to continue within the ECNAIS network the exchange of experience, expertise and information about Inclusion in education.

All the presentations at the seminar will be published on the ECNAIS website and the contact information of all participants mentioned in the conference folder makes it easy to contact each other.

Once again, we thank you very much for the contribution of SŠČMS to the ECNAIS seminar.

Best regards,

Simon Steen
